

2026 DRAFT BOARD

10 teams · 16 rounds · finished size 48 x 30 inches · fantasydailies.com

1. **PRINT**

The 18 sheets after this one. Actual size - do NOT let the printer 'fit to page' or 'shrink to fit', or the seams will not line up.
2. **SORT**

Every sheet has its grid reference bottom-left: A1 is the top-left corner, C6 is the bottom-right. The footer on each one tells you what it tapes to.
3. **TAPE**

Lay them out 6 across and 3 down, printed side up. Butt the edges together at the crop marks - do not overlap. Tape along the back of each seam.
4. **HANG**

Painter's tape or poster putty. It is 48 inches wide, so measure the wall first.
5. **LABELS**

Print the label sheets, cut along the dashed lines, and put them in a pile by position. Tape each pick into its box as it goes.
