

2026 DRAFT BOARD

12 teams · 16 rounds · finished size 48 x 30 inches · fantasydailies.com

1. PRINT

The 18 sheets after this one. Actual size - do NOT let the printer 'fit to page' or 'shrink to fit', or the seams will not line up.
2. SORT

Every sheet has its grid reference bottom-left: A1 is the top-left corner, C6 is the bottom-right. The footer on each one tells you what it tapes to.
3. TAPE

Lay them out 6 across and 3 down, printed side up. Butt the edges together at the crop marks - do not overlap. Tape along the back of each seam.
4. HANG

Painter's tape or poster putty. It is 48 inches wide, so measure the wall first.
5. LABELS

Print the label sheets, cut along the dashed lines, and put them in a pile by position. Tape each pick into its box as it goes.
